Hi Todd,

Please see attached. We sent it via USPS. In future should we send via email? If so, should we send them to you or is there another email address we should use?

Thanks for your help.

Did you send it by mail or email? Do you know who sent it? I can follow up on it today. If you want to email it to me I can resend it to the Commission and should have it reviewed within the next 24 hours or so.

Good Morning Todd,

Green Mountain eLearning sent a course application to the board for course approval near the end of January and we have not heard back as to whether the course has been approved or not. Is there somewhere we can check on this online? Or can you let us know what is happening with the application?

Thanks so much! Have a great day!
