Green Mountain eLearning
29 Stone Rd
Williamstown, VT 05679

Sent via email to: info@greenmountainelearning.com

Course # & Title: GM008 Valuation Bias and Fair Housing Laws and Regulations

Delivery Method: Online

Hours: CE: 7 CEE: QE:

Status: Approved w/CAP

IDECC Expiration:

CAP Expiration: 3/25/2029

Approval - Expiration: 4/2/2026 - 4/2/2028

Thank you for your submission of the education class listed above for initial approval. Since the class is approved by the Appraisal Foundation's Course Approval Program (CAP), the Arkansas Board has approved the class for a period of two years, provided no substantive course content changes are made and CAP approval is maintained. Please advise the Board's staff as soon as possible if the course undergoes significant content modification or an instructor change. The course will expire on the least of the Board/CAP/IDECC expiration dates. If the CAP or IDECC expiration date is prior to the Board expiration date, you'll need to submit a new CAP and/or IDECC approval to extend to the Board expiration date.

Approval may be extended one time for an additional two years, without an application fee, by submitting an Education Course Application and supporting documentation to sarah.johnson@arkansas.gov. Failure to timely request an extension prior to the expiration date will result in automatic termination of the educational offering's approval status.

Consistent with this approval is your authority to advertise that these courses and instructors are approved by the Arkansas Appraiser Licensing and Certification Board.

Sincerely,

A handwritten signature in black ink that reads 'Sarah Johnson'.

Sarah Johnson
Fiscal Support Coordinator
