Thank you for taking time to submit the course offerings for education credit for Real Estate Appraisers. Continuing and/or qualifying education credit has been approved for Montana Real Estate Appraisers for the submitted educational offerings.

The Board approved the following courses for the hours indicated and assigned a number to be used to show approval by the Board.

Continuing education classes do not require that an exam be given. 100% attendance is required for credit; no partial credit will be allowed.

<u>Course Name</u>	<u>Approval #</u>	<u>Hours</u>	<u>Category</u>	<u>Delivery Method</u>	<u>Expiration Date*</u>
7-HOUR VALUATION BIAS AND FAIR HOUSING LAWS AND REGULATIONS	REA-CEC-REC-20460	7	Continuing Education	Online	3/25/2029

Expiration Date – The expiration date is the expiration date shown on the AQB approval, IDECC approval, or 3 years from the date of the board's approval – whichever is the soonest. If you receive an updated AQB and/or IDECC approval prior to 4/1/2029, please forward copies to the Board so that the course expiration date can be extended.

It is the responsibility of the education provider to furnish to the persons taking the course a certificate of attendance upon completion of the course. The certificate should reflect **the course name, the number of credits allowed, the education program it has been approved for, and the state assigned course number**. Internet education courses must maintain certification with IDECC and AQB approval. Failure to maintain IDECC certification or AQB approval will result in immediate removal of course approval status.

Future Applications – In the future you can email your applications directly to audit@mt.gov. We will enter them into our database and then send you instructions for making the payments online.

Thank you for taking the time to submit these courses. If you have any further questions or concerns, please do not hesitate to contact me.
