The New Jersey State Real Estate Appraisers Board has approved the following seminar for continuing education credit.

Table with 3 columns: COURSE TITLE, CODE #, CREDIT HOURS. Rows include 'Valuation Bias and Fair Housing Law and Regulations' and 'Market Conditions Cradle to Grave, Data Concepts'.

If applicable, this approval is contingent on the provider maintaining current AQB CAP approval for the course. In the case of online courses IDECC Approval must also be current. Providers are required to submit current AQB CAP Approvals and IDECC Approvals. Failure to do so will result in the approval expiring on the expiration date of AQB Cap approval and/or IDECC approval.

The Board asks that licensees retain their forms rather than submit them to the Board office.

Very truly yours,
State Real Estate Appraisers Board
