This course has been approved, contingent upon you maintaining an approved IDECC Certificate, AQB approval, instructor AQB certificate (for USPAP courses), and/or certification from any other approving state (as applicable), as required under the AQB Real Property Appraiser Qualification Criteria.

The Board has established standards for TALCB approved ACE programs so please be aware of the following:

- Ensure your instructors are qualified to teach this course.
- Submit course completion records for students using the Posting System within 10 days of the course completion date.
- The expiration date noted above is valid as long as the provider approval remains current.
- ACE credit will not be awarded for courses offered if the provider or course approval has expired.
- Note the course title and course number and include both in all course advertising.

As an approved ACE provider, you need to read and be familiar with Board Rule [§153.40](#) relating to ACE providers, courses and instructors.
