Appraiser Course Approval Letter

Dear Connie,

The Wyoming Certified Real Estate Appraiser Board has approved the following courses for pre-qualifying and/or continuing education credit:

Big Data - Big Trouble, Public Records, Square Footage & Big Data Myths

The course will expire on **06/20/2027**.

The Board is happy to have you as a continuing education provider and would like to introduce you to our online class attendance program. Appraiser Permittees will be able to access the system to view/print a list of their completed continuing education credits.

We are happy to announce that the online Continuing Education Provider Portal (CEPP) is now ready to accept your course credit data.

This is a fairly new system, so you may need to create an account. The data from our old system should have been transferred into your account, but to enhance security, two-step user verification is required.

The link to the site is: <https://online.wyrec.org/#/User/LoginBusinessPortal>

Please use the following Google Drive link to watch the video to start uploading course credits. https://drive.google.com/open?id=1uiZt5K-LuZP9sgW_WfRgCQ3kCG3QM5zI

You will have ten (10) days after the completion of a course to enter all of the required records into the online site.

If you have any questions, please do not hesitate to contact our office.

Thank you for using our website.
